S/N	Applicant	Project title	Project Summary
1	Bless Community Services (BCS)	Safe Sound Sleeping Retreat Places – From Shelter to Sanctuary	Provides shelter residents with wraparound support including counselling and life coaching to help them transition into and sustain stable housing.
2	Catholic Welfare Services (CWS)	Galilee - Drop-In Center for Rough Sleepers	Opens a welcoming drop-in space where hard-to-reach rough sleepers can access meals, showers, and counselling support at their own pace.
3	Catholic Welfare Services (CWS)	Upper Room - Rough Sleeping Anonymous	Provides group counselling to help rough sleepers, including those already housed, address the emotional and behavioural factors that may lead them to return to rough sleeping, while building the confidence and resilience needed to remain in stable housing.
4	Good News Community Services (GNCS)	Common Ground – Joint Singles Scheme Matching Programme	Matches single rough sleepers who wish to apply for a public rental flat with a compatible co-tenant, helping them access housing more quickly while reducing the risk of shared living arrangements breaking down.
5	Homeless Hearts of Singapore (HHOS)	Community Gatherings	Builds trusting relationships with rough sleepers who are reluctant to seek formal assistance, helping them open up about their social needs and connect with appropriate support services.

6	Hope Initiative Alliance (HIA)	MAPS – Micro-employment and Apprenticeship Pathways to Stability	Provides tailored employment opportunities, from apprenticeships to micro-jobs, to help rough sleepers and shelter residents build work readiness and achieve greater housing stability.
7	New Hope Community Services (NHCS)	From Tenancy to Sustainability: A Risk-Informed Community Work Approach in Social Housing	Develops a tool to identify early signs that a person may be at risk of homelessness, enabling timely support to help them remain stably housed.
8	Institute of Policy Studies (IPS), NUS and New Hope Community Services	Local Area Coordination at Woodleigh Joint Singles Scheme Operator-Run Pilot	Helps newly-housed residents familiarise themselves with their new neighbourhoods by linking them to key community networks such as social services, neighbours, local businesses and community programmes, to reduce the risk of returning to homelessness.
9	Institute of Policy Studies (IPS), NUS and New Hope Community Services	Transformative Retreats for Residents in Rental Housing: Co-Design, Pilot and Playbook	Pilots a retreat programme to help people who have experienced homelessness overcome psychological and relational barriers, to build their confidence, and sustain their transition into stable housing.
10	SowCare Ltd	Holistic Empowerment, Adjustment and Life Skills (HEAL)	Provides rough sleepers with a structured programme covering mental wellness, life skills, financial planning, and family counselling to help them achieve long-term stability and reintegrate into the community.

11	Youth Guidance Outreach Services (YGOS) and New Hope Community Services	S3P specialised support pathway for youth	Provides homeless youths in transitional shelters with dedicated, youth-centred support such as mentoring, family mediation, and vocational guidance, to better meet their developmental and social needs.

Approved Safe Sound Sleeping Places (S3P) Applications Under First Window of PATH Fund

S3Ps are interim shelters in community-owned premises and are operated on the goodwill of partner community organisations. S3Ps provide rough sleepers with safe overnight shelter, while they seek formal assistance from help agencies and/or longer-term shelters. S3Ps provide safe shelter for the individuals, and enable MSF, help agencies, and partners to keep in contact with them and provide more timely assistance.
