About PEERS Appreciation Event

The PEERS Network Partners Appreciation event recognises the efforts of our PEERS Network partners in supporting rough sleepers. The event provides the opportunity to welcome new partners and recognise long-serving PEERS Network partners. This year's event highlights the co-creation of ideas from community partners to support rough sleepers through announcing the outcome of PATH Fund Window 1 applications and sharing on the projects.

New Partner Award: This award recognises partners who have officially joined the PEERS Network over the last two years.
