List of available marriage preparation, mentoring and support programmes:

- Couples can opt for the **evidence-based Prevention and Relationship Education Programme (PREP)**, or community marriage preparation programmes offered by Social Service Agencies. A complimentary, online version of PREP (ePREP) is also available.
- The **Journey with You (JoY) marriage mentoring initiative** will be progressively extended to more newlyweds, and to include community volunteers. Marriage mentors will provide advice and tips to couples on navigating the challenges and joys of marriage and connect them to useful resources.
- Muslim couples can opt for the **Cinta Abadi ('Eternal Love') marriage preparation programme**. They can also tap on the **Bersamamu ('With You') programme**, which provides couples with marriage mentoring from their Kadi or Naib Kadi, their marriage solemnisers.
- The **Prepare/Enrich Marriage Enrichment Programme** gives personalised insights into relationship dynamics and helps married couples pick up skills to improve their relationships and better address conflict.
