NOTE TO DISCLAIMING DONEE / REPLACEMENT DONEE

If the LPA has been registered, it will be cancelled.**

This may be done by sending this completed and signed form to the Donor and every other Donee (if any) by delivering it personally, sending it by post or, if the postal address is not known, via email.
3. It is important that you understand that after disclaiming your appointment as a Donee/Replacement Donee, you will not have the authority to make decisions or act for the Donor if the Donor loses mental capacity.
