Getting to the **HEART** of Business ...

Ministry of Social and Family Development has published a casebook featuring 10 successful social enterprises in Singapore. Readers would be able to learn from these featured social enterprises on their key success factors and the inspiration behind these social enterprises. This casebook has been distributed among CDCs, CCs, selected schools and libraries.

Are you interested to start your own social enterprise?

Please contact the ComCare Enterprise Fund Secretariat at msf_se@msf.gov.sg

Social Enterprises are businesses with a social mission.
