

# Introducing ComCare Database (CCDB)

- ✦ A **database** of persons receiving financial assistance.
- ✦ Provides information on **type(s), period and source(s) of assistance** a person/family has received or is receiving.
- ✦ If your agency provides financial assistance, CCDB
  - > Gives you a **better understanding** of your client's needs.
  - > Helps you **render suitable assistance quickly** with information from various agencies.

## Some Important Facts

- ✦ **Close to 170 agencies and about 500 users** use and contribute data to CCDB, including **Community Development Councils, Family Service Centres, the Citizens' Consultative Committees and Self-Help Groups.**
- ✦ Steps are taken to ensure **confidentiality of all data.**

## Who Can Access CCDB?

Agencies that provide financial assistance can apply for access. Please email [comcare@mcys.gov.sg](mailto:comcare@mcys.gov.sg) for more information.
