OVERVIEW

The Government has strengthened its social safety net over the last decade by investing heavily in education, healthcare, housing, employment and retirement adequacy for Singaporeans. During COVID-19, the Government introduced many additional support schemes to further strengthen the social safety net during this extraordinary time. There are broad-based schemes and subsidies that benefit many, while a network of government and community agencies provides targeted assistance for low-income and vulnerable groups who need additional help. Within these multiple layers of assistance, the Community Care Endowment Fund (“ComCare Fund”) continues to play a critical role in supporting low-income households with their living expenses.

OVERVIEW | COMCARE FUND

The ComCare Fund was launched by Prime Minister Lee Hsien Loong on 28 June 2005 as a sustainable source of funds to provide social assistance to low-income Singaporeans. The interest income generated from the ComCare Fund is used to fund ComCare programmes.

Established under the Community Care Endowment Fund Act, the ComCare Fund has the following objectives:

- a. To provide assistance to Singapore citizens and permanent residents, and their family members living in Singapore who are in financial or other difficulties, to enable them to:
 - i. Attain sufficient income to meet their basic needs;
 - ii. Address the development issues faced by their children;
 - iii. Facilitate their integration into society; and
- b. To develop programmes to enhance the capacity of the community to undertake the three objectives mentioned above.

The ComCare Fund started with an initial capital of \$250 million from the government. Since then, the government has made periodic top-ups to the Fund. The fund now stands at \$1.9 billion.

During Financial Year 2019, about \$151 million was disbursed under the various ComCare programmes. \$69 million was funded by the ComCare Fund’s interest income. The remainder was covered by the budget of the Ministry of Social and Family Development.

COMCARE CALL

ComCare Call (1800-222-0000) is a toll-free service which persons in need can contact, so that they can be referred to appropriate social assistance. This helpline automatically redirects calls for financial assistance to the nearest Social Service Office (SSO) based on the postal code entered by the caller. This allows callers to get help closer to where they live or work. Alternatively, callers can choose to speak to customer service executives who are conversant in the four main languages as well as common Chinese dialects. In FY2019, ComCare Call attended to 38,999 calls.

CONCLUDING REMARKS

Since the launch of ComCare in 2005, the schemes have been reviewed and enhanced regularly to ensure that those who face financial difficulties receive the help they need. From 1 July 2019, MSF increased the assistance provided to households on ComCare LTA and SMTA. Following this enhancement, one-person households on the ComCare LTA received \$600 per month, up from the previous rate of \$500 per month. Larger households received higher amounts. Households that applied for/renewed their ComCare SMTA after 1 July 2019 also received a higher amount of assistance.

This year has been especially challenging for the low-income and vulnerable groups, which faced additional stressors brought about by COVID-19. Besides introducing various schemes to support those affected by the crisis, the Government will press on with efforts to deepen partnerships between government agencies and community partners, in order to strengthen social service delivery on the ground to provide more Comprehensive, Convenient and Coordinated support during these challenging times.

As a response to COVID-19, the SG Cares Community Networks, which were formed in 2018 and comprise government agencies, community partners and volunteers, began reaching out to low-income and vulnerable groups in every town, starting with around 50,000 rental households. Through SMSes, posters and phone calls, we are offering proactive and early support to individuals and families who may be in need. Social service agencies, charities, and volunteer groups also worked closely together with government agencies to ensure vulnerable individuals and families receive essential aid such as meals, groceries and shelter.

This year, we have intensified collaborations with our partners to further integrate service delivery and strengthen last-mile support. Through the Community Link (ComLink) initiative,

we have brought together partners and volunteers to support the specific needs of four local communities. ComLink works closely with other initiatives such as MOE's UPLIFT Community Pilots and ECDA's KidSTART to provide holistic support that is wrapped around the family's needs.

To provide greater convenience and more timely assistance to clients, we are developing systems to reduce the need for clients to submit multiple documents to various agencies, and to enable frontline officers to have a more complete picture of the clients' details and circumstances, with the clients' consent where required, so that the frontline officers can do timely and comprehensive assessments of the support required by the client.

The community has played and continues to play a crucial role in helping those who face challenges. There is more we can do together. We welcome all to step forward to join us as part of our SG Cares Community Networks, to support the low-income and vulnerable, and to build a caring society for all.

INDEPENDENT AUDITOR'S REPORT TO THE MINISTRY OF SOCIAL AND FAMILY DEVELOPMENT

Report on Audit of the Financial Statements

Opinion

We have audited the financial statements of Community Care Endowment Fund (the "Fund"), which comprise the statement of financial position as at 31 March 2020 ("FY 2019"), and the statement of receipts and expenditure for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements are properly drawn up in accordance with the provisions of the Community Care Endowment Fund Act (the "Act") and Cash Basis of Accounting so as to present fairly, in all material respects, the state of affairs of the Fund as at 31 March 2020 and the receipts and expenditure of the Fund for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with Singapore Standards on Auditing (SSAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Fund in accordance with the Accounting and Corporate Regulatory Authority (ACRA) Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities (ACRA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other information

Management is responsible for the other information. The other information comprises the Statement by Management set out on page 1.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we have concluded that there is a material misstatement of this other information, we are required to report the fact. We have nothing to report in this regard.

Responsibilities of Management's for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the provisions of the Act and the Cash Basis of Accounting, and for such internal control as management determines is necessary to enable the preparation of financial statements that is free from material misstatement, whether due to fraud or error.

The Fund is constituted based on the Act and is administered by Ministry of Social and Family Development. In preparing the financial statements, the management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to wind up the Fund or for the Fund to cease operations.

The Management is responsible for overseeing the Fund's financial reporting process.

**INDEPENDENT AUDITOR'S REPORT TO THE
MINISTRY OF SOCIAL AND FAMILY DEVELOPMENT (CONTINUED)**

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

Opinion

In our opinion:

- a) the financial statements show fairly the financial transactions and the state of affairs of the Fund;
- b) proper accounting and other records have been kept, including records of all assets of the Fund; and
- c) the receipts, expenditure, investment of moneys and the acquisition and disposal of assets on account of the Fund during the financial year were in accordance with the provisions of the Act.

Basis for Opinion

We conducted our audit in accordance with SSAs. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Compliance Audit section of our report. We are independent of the Fund in accordance with the ACRA Code together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on management's compliance.

Responsibilities of Management for Compliance with Legal and Regulatory Requirements

Management is responsible for ensuring that the receipts, expenditure, investment of moneys and the acquisition and disposal of assets, are in accordance with the provisions of the Act. This responsibility includes implementing accounting and internal controls as management determines are necessary to enable compliance with the requirements.

Auditor's Responsibilities for the Compliance Audit

Our responsibility is to express an opinion on Management's compliance based on our audit of the financial statements. We planned and performed the compliance audit to obtain reasonable assurance about whether the receipts, expenditure, investment of moneys and the acquisition and disposal of assets, are in accordance with the provisions of the Act.

Our compliance audit includes obtaining an understanding of the internal control relevant to the receipts, expenditure, investment of moneys and the acquisition and disposal of assets; and assessing the risks of material misstatement of the financial statements from non-compliance, if any, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. Because of the inherent limitations in any internal control system, non-compliances may nevertheless occur and not be detected.
