**Alive Community Network (活跃社区网络)**

Course Title	Alive Marriage Preparation
Programme Write Up	<p>Alive Marriage Preparation Programme provides both group learning as well as opportunity for you as a couple to explore with a trained professional and issues that you may find important to talk about. Group sessions will normally involve the facilitator sharing important insights on a marriage related topic and offering you opportunities to discuss various concerns. In the process you will fill up simple inventories, write about your preferences and discuss these with your partner.</p> <p>While in groups, some couples may share their own thoughts and opinions. No one will be forced to share their personal stories if they do not want to do so.</p> <p>Towards the end of the group classes, you will be able to work out dates for a couple session with a trained professional. This session will give you a chance to review your psychological profile and to better understand each other. You will also have the opportunity to crystallise your learning from the group sessions and raise possible concerns you have about marriage.</p>

<b>Shan You Counselling Centre (善友辅导中心)</b>	
Course Title (English)	Marriage Preparation Programme
Programme Write Up	<p>This programme is an investment for any couple preparing and planning for a healthy and enriching marriage and family life. Our 4session course set in a caring atmosphere can assist soon-to-be married and married couples to lay a solid foundation for their lifelong, happy marriage. Each will gain valuable insights into their individual strengths and weaknesses and learn practical skills on topics ranging from communication, conflict resolution, relationship roles and expectations, sexual intimacy, financial management, and building relationship with in-laws.</p> <p>The course has elements of discussion, sharing and psycho-education. Our facilitator can customise some parts of the programme to suit couple's needs, on request. In the first session, we use the #1 relationship inventory and couple's assessment tool, PREPARE/ENRICH to assist the couple to identify their unique strengths and potential growth areas of their relationship. Based on the couple's assessment results, our trained facilitator will help the couple to understand each other and allows our facilitator to explore how to better prepare for marriage. The results also help to serve as a point of discussion. Couples are welcome to bring to the attention of our facilitator, from the range offered relevant topics to be covered in depth.</p> <p>Our programme automatically provides one counselling session. This complimentary session allows couples to work on specific issue. Shan You Counselling Centre also offers counselling services to couples at any stage of their relationship.</p>
