Eligible Child Care Centres and Kindergartens with the Singapore Pre-School Accreditation Framework (SPARK) Certification

Year	FY2011	FY2012	FY2013	FY2014	FY2015	FY2016	FY2017	FY2018*	FY2019**
Eligible Child Care Centres and Kindergartens with the Singapore Pre-School Accreditation Framework (SPARK) Certification (%)	4.8%	11.0%	16.2%	23.6%	27.4%	36.7%	45.2%	48.4%	52.0%

*Revised

**Estimated

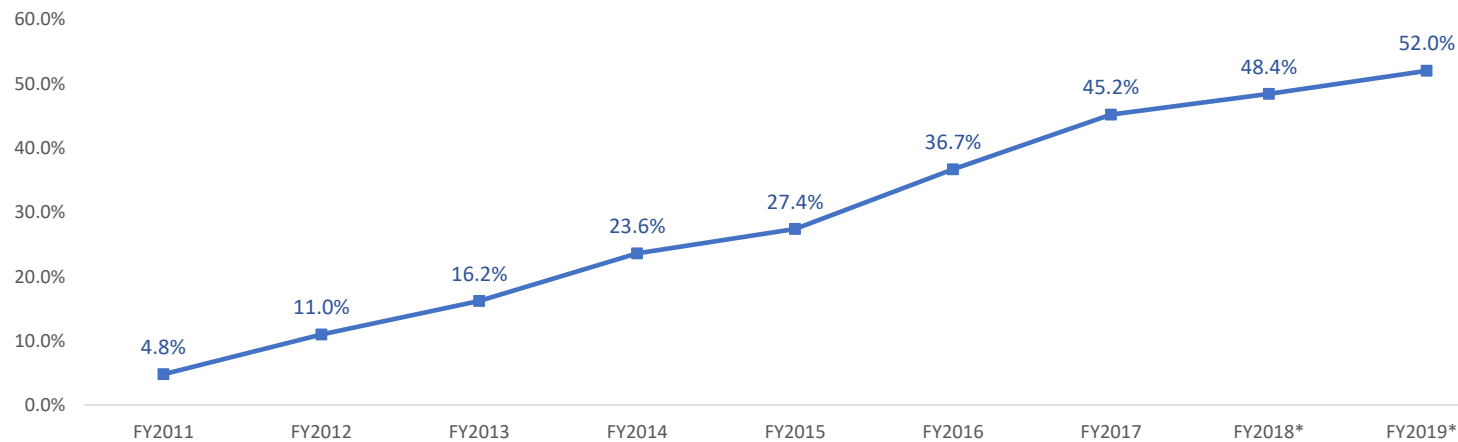

Data only available from FY2011.

This indicator in Financial Year (FY) 2016/2017 used total childcare centre capacity, which included both infant and childcare spaces, in computing the percentage of the cohort with a provision for a full-day childcare place.

For greater precision, the data for FY2017/2018 onwards will only include childcare spaces.

The data for FY2015, FY2016 and FY2017 have been revised accordingly.
