

Safe ABCs for COVID-19 Safe Student Care Centres

Student care centres must ensure that the following safe management measures are clearly communicated to staff and are implemented well and consistently.

A. COVID-Safe Access

	Yes	No	
<p>To ensure Safe Access, student care centres are to implement the following measures to ensure that individuals who may pose a higher risk to transmission are not allowed access into the student care centre premises:</p> <p>a. Restriction of staff and children allowed in student care centres - Leave of Absence/ Stay-Home Notice</p> <p><input checked="" type="checkbox"/> Student care centres are not to allow staff and children on Quarantine Order (QO), Leave of Absence (LOA) and Stay-Home Notices (SHN) to enter the student care centre. See <u>Annex A1</u> on Leave of Absence and Stay-Home Notices.</p>			
<p>b. Restriction of enrichment programme staff allowed into student care centres</p> <p><input checked="" type="checkbox"/> To minimise cross transmission between centres, student care centres are to continue suspending any programme involving external vendors or staff moving across centres.</p>			
<p>c. Restriction of visitors allowed in student care centres</p> <p><input checked="" type="checkbox"/> Student care centres are not to allow visitors who are on QO, SHN, LOA or have travelled overseas within the last 14 days, to enter the centre.</p>			<i>Has a notice on visitor restriction been put up at SCC's entrance? See <u>Attachment I</u></i>

<p><input checked="" type="checkbox"/> Parents are not allowed into the student care centre premises. All parent-teacher discussions are to be carried out via tele-conferences or online. For potential parents, they should also not be allowed entry during operating hours. Student care centres are to substitute with alternatives (e.g. virtual tours and photos).</p> <p><input checked="" type="checkbox"/> Defer non-essential services/deliveries by vendors at the SCC.</p> <p><input checked="" type="checkbox"/> Designate a 'drop-off point' outside SCC for deliveries by vendors and ensure proper sanitisation and wiping down of all goods and items that are delivered.</p> <p><input checked="" type="checkbox"/> If not possible to defer maintenance or other facilities management work, SCC should check with service vendors to ensure that the personnel deployed to the SCC do not reside in foreign worker dormitories with confirmed cases. SCC to screen health status and travel history of all contractors entering the premises, record their details (name, NRIC/WP, contact numbers) and log details of locations visited within the centre and persons they were in contact with. When physically entering the premises, contractors should wear gloves and surgical masks. Staff and children should not have any contact with external contractors and should not be in the same room or location where the contracted work is being done. There should also be wiping down of the areas where works are carried out before opening up the space for children and staff.</p>			<p><i>Have the most updated health and travel declaration forms been placed at the SCC entrance to be completed by visitors? See <u>Attachment II</u></i></p> <p><i>Have I identified non-essential services/deliveries that can be deferred?</i></p> <p><i>For vendors making deliveries to the SCC, has a clear 'drop-off point' been designated?</i></p>
<p>d. Health checks and temperature screening</p> <p><input checked="" type="checkbox"/> <u>On arrival</u>: Student care centres are to continue with temperature screening and health checks for all children, staff and visitors.</p> <p>Besides health checks for visible symptoms, student care centres are to explicitly ask all children, staff and visitors the following questions during health checks:</p> <ol style="list-style-type: none"> i. Are you unwell? ii. Do you have a cough? iii. Do you have a sore throat? 			<p><i>Have I briefed SCC staff on the required health checks and screening?</i></p> <p><i>Do I keep a record of the temperature taking log sheet for the staff and children? <p>iv. Do you have a runny nose? v. Do you have shortness of breath? vi. Do you have a loss of sense of smell? vii. Are you unwell in any way (besides the above)? viii. Are there adult household members who are unwell with fever and/ or flu-like symptoms such as cough, runny nose, sore throat, shortness of breath?</p> <p>Student care centres should not admit children, staff and visitors who are unwell, and recommend that they promptly seek medical attention. Children/Staff with adult household members who are unwell (with fever and/ or flu-like symptoms such as cough, runny nose, sore throat, shortness of breath) are encouraged to stay home, if possible.</p> <p><input checked="" type="checkbox"/> <u>During the day:</u> Student care centres should conduct another temperature taking and health check for both children and staff. i.e. total of two temperature taking/health checks while in the centre. The timing for these checks must be scheduled and not left to the discretion of individual staff.</p> <p>Student care centres should direct all staff who are unwell to leave immediately and promptly seek medical attention. Student care centres should advise staff not to clinic-hop. Where possible, operators/ principals must ensure that each staff visits only one clinic for check-ups if unwell. Otherwise, staff should inform the clinic of all recent doctor visits over the past 14 days for any symptoms that may be related to COVID-19 (including but not limited to typical symptoms such as fever, cough and shortness of breath).</p> <p>Children who report feeling unwell should be immediately isolated in the sick bay, and their parents/ guardians should be notified to bring them home as soon as possible. There should be no more than one unwell child in each sick bay. If there is more than one unwell child in the sick bay, the children should be spaced 2 metres or more apart and be given masks to wear. If staff need to interact closely with the sick children (i.e.</p>			<p><i>Have I made these instructions available to staff for easy reference?</i></p> <p><i>Have I briefed SCC staff on the handling of a child or staff who is unwell?</i></p> <p><i>Have I prepared a sick bay, room or a suitable space for a child or staff is unwell?</i></p>

<p>e. Contact tracing of staff, children and visitors</p> <ul style="list-style-type: none"> <input checked="" type="checkbox"/> From 12 May 2020 onwards, student care centres are required to use SafeEntry to collect entry and exit information of visitors, staff and children to facilitate contact tracing. SafeEntry records will reduce the time required by MOH to identify potential close contacts of COVID-19 patients and mitigate the risk of new waves of infection. <input checked="" type="checkbox"/> SafeEntry is only necessary for visitors who enter the student care premises and does not apply to parents dropping off or picking up children, school bus drivers, etc. <input checked="" type="checkbox"/> To minimise congestion at the entrance during arrival, student care centres may allow staff and children to enter first and to check-in using SafeEntry after the staff and children have settled in, if necessary. <input checked="" type="checkbox"/> To help reduce the administrative load on student care centres, there is no need to check-out staff and children via SafeEntry. 			<p><i>Has the SCC registered for SafeEntry?</i></p> <p><i>Have SCC staff been briefed on the use of SafeEntry?</i></p>
<p>f. Travel Plans and Declarations</p> <ul style="list-style-type: none"> <input checked="" type="checkbox"/> With the evolving COVID-19 situation, student care centres are to continue monitoring the travel plans of staff and children to all countries closely. Student care centres should inform staff and parents to declare the following, if not already done: <ul style="list-style-type: none"> i. Of any intended/ updated travel plans by staff or enrolled children to other countries (including the city(s) of travel); and 			<p><i>Have I informed staff and parents of this requirement?</i></p>

<p>ii. When an enrolled child or staff is staying with a household member who is issued with a (i) Home Quarantine Order; or (ii) Stay Home Notice.</p> <p>Student care centres should require all visitors entering the student care centre to fill in a travel declaration form.</p>			<p><i>How frequently do I and other supervisors check on the well-being of staff while they are on SHN?</i></p>

B. COVID-Safe Behaviour

Student care centres are to implement the following to ensure that staff and children adopt COVID-Safe **B**ehaviour and norms to reduce the risk of transmission and ensure a safe environment within each class/group.

Measures	Done? To tick		Guiding questions for Operators to plan and monitor implementation of measures

C. COVID-Safe Classrooms/Bays

To ensure COVID-Safe Classrooms/Bays, it is critical that children and staff stay within a fixed group and designated spaces to minimise any risk of cross-transmission across classes/groups, in the event of a confirmed COVID-19 case in the student care centre.

Student care centres are to implement the following measures to ensure **minimal interaction/ mixing between children and staff from different bays/ floors/ classes.**

Measures	Done? To tick		Guiding questions for Operators to plan and monitor implementation of measures
	Yes	No	
<p>a. Safe distancing between classes/groups during drop off/ pick up times</p> <ul style="list-style-type: none"> <input checked="" type="checkbox"/> Children are to proceed directly into student care centre on arrival. Do not combine classes/groups during arrival and departure periods. If children need to be located in a combined space, children of the same class/group must be assigned a specific zone within the area at least 2m apart from other class/group and children from different classes/groups should preferably be in the same space for less than 30 minutes. There should be no mixing of children from different bays/ floors/ classes. <input checked="" type="checkbox"/> Children from different classes/groups to use separate routes and entrances/exits, where available. <input checked="" type="checkbox"/> Where school bus services are used: <ul style="list-style-type: none"> • Take children’s temperatures prior to boarding. • Assign specific seat to each child. • Ensure each child wears a mask. • Alternate seating that is at least 1m apart for all children, where reasonably practicable to do so. • Ensure that the bus is cleaned and sanitised before children’s use every time. 			<p><i>Have I informed staff of these guidelines and requirements, and document them for staff’s reference?</i></p> <p><i>Have staff planned and demarcated routes within SCC, demarcate queue spacing etc.?</i></p> <p><i>Have I informed bus operators of the measures to be implemented? <ul style="list-style-type: none"> <input checked="" type="checkbox"/> Student care centres must engage parents to put in place staggered drop-off and pick-up times for classes/groups to prevent the formation of queues and crowding at student care centres. To facilitate this, student care centres have the flexibility to make adjustments to existing timetables. <input checked="" type="checkbox"/> Student care centres to demarcate queues; parents/guardians to stand at least 1 m apart. Student care centres are to inform parents to not mingle with one another after pick-up, and to not engage in long conversations with staff. Parents can dialogue with staff via telephone / emails. 			<p><i>Have I informed parents of the staggered drop-off or pick-up times?</i></p>
<p>b. Segregate children/ staff by bays/ floors/ classes during the day</p> <ul style="list-style-type: none"> <input checked="" type="checkbox"/> Keep children within their own bays/floors/classes. Ensure there is no mixing of children from different bays/ floors/classes. Consider 'soft barriers' or markers to help with demarcation. <input checked="" type="checkbox"/> Ensure that children do not interact with children from different classes/groups along walkways, corridors or common spaces, where reasonably practicable to do so. <input checked="" type="checkbox"/> Stagger classes/groups going outdoors, no mixing between classes/groups when preparing to go out/return from outdoors. Keep classes/groups separate during outdoor play. <input checked="" type="checkbox"/> Stagger classes in their use of common areas and facilities (e.g. toilets, halls, common areas) to avoid mixing between classes. <input checked="" type="checkbox"/> Staff must not be cross-deployed across centres or to more than 2 classes/groups within the same centre. 			<p><i>Have I informed staff of these guidelines?</i></p> <p><i>How will I monitor the implementation of these measures in the SCC?</i></p>
